

SOUTHERN OHIO PRAYER WATCH

The Foundation Must Be Laid

"Peoples will come, even the inhabitants of many cities. The inhabitants of one will go to another saying, "Let us go at once to entreat the favor of the Lord, and to seek the Lord of hosts; I will also go." Zechariah 8:20-21 (NSB)

There have been many prophetic words concerning the outpouring of God's Spirit on the State of Ohio, *"The Heart of it all"*. It has been said by many prophets that fresh, new release of God's Spirit will cover the State as the sands of the sea.

God has commissioned us, the body of Christ, to rise up to the call to pray on behalf of the revival that is coming to our State. For He is calling Worshipers, Prayer Warriors, and Intercessors to *action!*

As a response to this call, a 24 hour prayer watch is being established in the Southeastern region of Ohio. There are 5 specific areas that have been identified as the hub cities where the watches will occur. Gallipolis, Chillicothe, Zanesville, Marietta, and Athens. It is extremely important to know that each of these areas will be positioned to pray towards Athens, making a Southeastern Ohio circle with Athens being center. Leaders are committed to seeing this through so the Promise can come.

As God's people move forward and say *YES, use me Lord*, it has been promised that His Spirit will rest upon us so revival can come. Faith coupled with the power of prayer will move the Father's heart with Salvation for the lost, freedom for the shackled, and victory for the children of God!
